

Naperville Park District Holiday Training

You can still volunteer for Santa House even if you missed the holiday training! Go to <https://join.freeconferencecall.com/napervilleparkdistrict> and scroll down to the bottom where it says resources. Click on the presentation link there and read through the presentation slides. Towards the beginning of the presentation, there will be volunteer forms that you will be required to fill out, and at the end of the slides there are a few questions that you must answer in order to check if you have read through the entire presentation.

Please send the volunteer forms as well as the answers to the questions to Lynette Hoole at lhoole@napervilleparks.org . Let her know that you are with the Neuqua Interact Club.

If you have any further questions, feel free to contact the committee head Divya at divy amit5803@k12.ip sd.org.
